## **Flaxweiler & Reinsdorf - over 10 years of friendship -**

The municipal partnership between Flaxweiler and Reinsdorf began in 2013 at an international table tennis tournament in Luxembourg. A coincidental meeting developed into a regular exchange, in particular between the fire brigades of both municipalities.

In 2014, the Flaxweiler fire brigade visited Reinsdorf for the first time, and a year later, the fire brigade from Reinsdorf paid a return visit. Since then, the friendship has been continuously strengthened through joint meetings, the involvement of the youth fire brigade, and exchanges between the municipal councils.

The mayors and municipal councils of both municipalities have maintained close contacts over the years and have actively worked to promote the partnership. In 2018 and 2023, the mayor of Reinsdorf invited the Flaxweiler council for a visit, while Flaxweiler hosted a delegation from Reinsdorf in 2019.

After more than a decade of friendship, the municipal partnership will be officially sealed on May 3rd, 2025.

In times of political challenges and uncertainty, this connection serves as a powerful symbol of solidarity, exchange, and active European cooperation at the municipal level.
